No-Show Policy

We schedule our appointments so that each patient receives the right amount of time to be seen by our physicians and staff. That is why it is very important that you keep your scheduled appointment with us and arrive on time. As a courtesy, and to help patients remember their scheduled appointments, Yeti Women's Health PLLC sends text message and email reminders in advance of the appointment time. If your schedule changes and you cannot keep your appointment, please contact us so we may reschedule you, and accommodate those patients who are waiting for an appointment. As a courtesy to our office as well as those patients who are wanting to schedule with the physicians, please give us at least 24 hours' notice. If you do not cancel or reschedule your appointment within at least 24 hours' notice, we may assess a $50 "no-show" service charge to your account. This "no-show charge" is not reimbursable by your insurance company. You will be billed directly for it. After three consecutive no-shows to your appointment, our practice may decide to terminate its relationship with you. I understand the "no-show" policy of Yeti Women's Health PLLC and agree to pay a $50 fee before being seen if I no-show an appointment. I understand that I must cancel or reschedule any appointment at least 24 hours in advance to avoid a potential no-show charge.
